**Jeff Steinman  
N5TJ**

Last October Jeff Steinman, N5TJ, operated EA8BH in the CQWW SSB. Jeff will describe how he and Martti Laine, OH2BH, planned for and executed this record setting operation. Hear audio clips from his end of the pileup! Jeff and K1TO have recently won unprecedented back to wins in the WRTC2000 World Radio Telecommunications Championships in Slovenia.

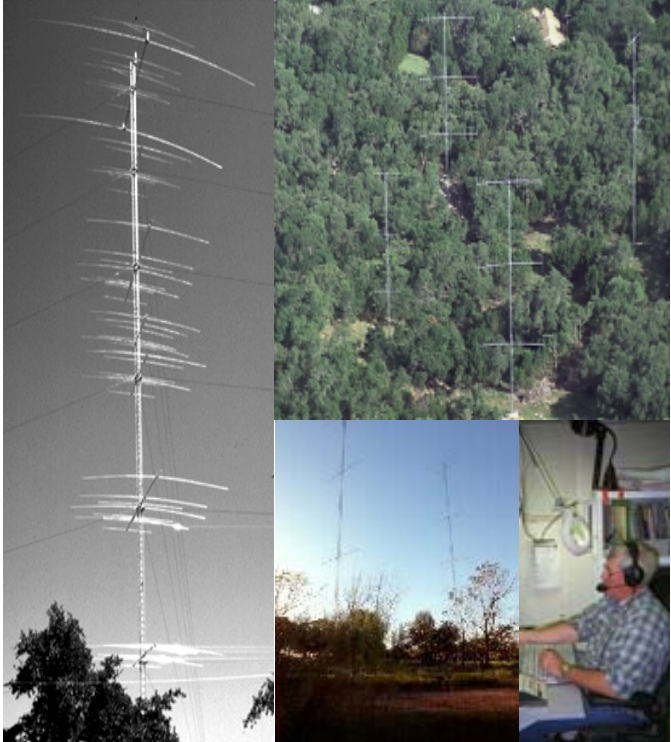

Sunspots are up, and DX is everywhere. Contest season is coming up. CTDXCC has world class ops and top notch stations.

Some say CTDXCC is the HF "brain trust" of Austin. Learn more about propagation, antennas, siting, automation, pileups, and more!

Central Texas is growing competitive contest stations!

**Jim George  
N3BB**

Jim George, N3BB/5, will chair a panel discussion on the WRTC2000 radio competition. Jim just returned from his first WRTC competition and other Texans will be in Slovenia. Come collect your QSL from Jim, in person!
